

CURRICULUM VITAE

VINCENT R. LUCENTE, MD, MBA, FACOG, FPMRS

Hamilton Court Professional Center
3050 Hamilton Blvd, Suite 200
Allentown, PA 18103
610-435-9575

CURRENT POSITION

ST. LUKE'S UNIVERSITY HEALTH NETWORK
Department of Obstetrics and Gynecology
Chief of Gynecology
Allentown, PA
2005 to present

THE INSTITUTE FOR FEMALE PELVIC MEDICINE
& RECONSTRUCTIVE SURGERYSM
Partner and Chief Medical Officer
Allentown, PA
2002 to present

FPM UROGYNECOLOGY CENTER
Partner and Chief Medical Officer
Allentown, PA
2010 to present

TEMPLE UNIVERSITY COLLEGE OF MEDICINE
Clinical Professor of Obstetrics and Gynecology
Philadelphia, PA
2005 to present

EDUCATION

DESALES UNIVERSITY
MBA with a Concentration in Health Care
Center Valley, PA
2000

STATE UNIVERSITY OF NEW YORK
STONY BROOK SCHOOL OF MEDICINE
Medical Doctor
Stony Brook, NY
1985

STATE UNIVERSITY OF NEW YORK PLATTSBURGH
Bachelor of Science in Biochemistry/Biophysics
Plattsburgh, NY
1981

PRIOR EXPERIENCE

ST. LUKE'S UNIVERSITY HEALTH NETWORK
Pelvic Health Center
Medical Director
Allentown, PA
2005 to 2010

ABINGTON MEMORIAL HOSPITAL
Department of Obstetrics and Gynecology
Chief, Section of Female Pelvic Medicine & Reconstructive Surgery
Abington, PA
2002 to 2008

Vincent R. Lucente, MD

LEHIGH VALLEY HEALTH NETWORK	Allentown, PA
Department of Obstetrics and Gynecology	
Vice Chair, Education and Research	1997 to 2002
Chief, Division of Gynecology	1993 to 2002
Chief, Section of Urogynecology and Reconstructive Pelvic Surgery	1993 to 2002
Medical Director, Women's Health Research Team	1998 to 2002
Department of Obstetrics and Gynecology	
Interim Chairman	2000 to 2001

CORNELL UNIVERSITY MEDICAL COLLEGE	Manhasset, NY
Clinical Assistant Professor, Obstetrics and Gynecology	1990 to 1993

NORTH SHORE UNIVERSITY HOSPITAL	Manhasset, NY
Physician-in-Charge of Urogynecology	1990 to 1993

KUBEC/TRONGONE/LUCENTE ASSOCIATES	Bayside, NY
Partner	1990 to 1993

POSTGRADUATE MEDICAL TRAINING

METHODIST HOSPITAL OF INDIANA	Indianapolis, IN
Fellowship in Urogynecology	1989 to 1990

NORTH SHORE UNIVERSITY	Manhasset, NY
Residency in Obstetrics and Gynecology	1985 to 1989

FACULTY APPOINTMENTS

TEMPLE UNIVERSITY COLLEGE OF MEDICINE	Philadelphia, PA
Clinical Professor of Obstetrics and Gynecology	2005 to present

PENNSYLVANIA STATE UNIVERSITY COLLEGE OF MEDICINE/HERSHEY MEDICAL CENTER	Hershey, PA
Assistant Professor of Clinical Obstetrics and Gynecology	1993 to 1999
Associate Professor of Clinical Obstetrics and Gynecology	1999 to 2005

CORNELL UNIVERSITY MEDICAL COLLEGE	Manhasset, NY
Clinical Assistant Professor, Obstetrics and Gynecology	1990 to 1993

CERTIFICATION AND LICENSURE

Diplomate, American Board of Obstetrics and Gynecology	1992
Annual Re-certification	2002 - 2015
Subspecialty, Female Pelvic Medicine & Reconstructive Surgery	2014 - 2015
Licensed Physician in the state of Pennsylvania	1993 - 2016

PROFESSIONAL MEMBERSHIPS

American College of Obstetricians and Gynecologists
American Uro-Gynecologic Society
International Uro-gynecologic Society
American Association of Gynecologic Laparoscopists
American College of Physician Executives
American Medical Association
Society of Gynecologic Surgeons
The Obstetrical Society of Philadelphia
Pennsylvania Medical Society / Lehigh County Medical Society

COMMITTEE ACTIVITIES

American Urogynecology Society Research Foundation Treasurer	2007 to 2011
St. Luke's University Health Network Board of Governors Department of Obstetrics and Gynecology Education Committee, Strategic Planning Committee, Quality Assurance Committee, and Chair, Technology Assessment Committee	2007 to present 2006 to present
American Congress of Gynecologic Endoscopy, AAGL Annual Meeting Video Committee	2004 to present
American Association of Gynecologic Laparoscopists Coding and Nomenclature Committee National Advisor	2001 to 2010 2002 to 2004
Lehigh Valley Health Network Chairman, Quality Assurance Committee Facility Planning Committee OR Governing Board Health Plan Planning Committee	1994 to 2000 1994 to 1999 1996 to 2002 1996 to 2000
Lehigh Valley Physician Hospital Organization, Inc. Chairman, Compensation & Benefits Committee Care Management Committee	1996 to 2000 1994 to 2002
American College of Obstetrics and Gynecology Committee on Coding and Nomenclature, AUGS liaison Committee on Coding and Nomenclature, AAGL liaison	1998 to 2000 2000 to 2003
Society of Gynecologic Surgeons Research Committee	2000 to 2002

American Urogynecologic Society Executive Committee Member	1995 to 1996
Chairman, Committee on Coding and Nomenclature	1993 to 1996
North Shore University Hospital Obstetrics and Gynecology Quality Assurance Committee	1990 to 1993

AWARDS, HONORS AND MEMBERSHIPS IN HONORARY SOCIETIES

America's Top Doctors	2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017
Physician Honoree Award, St Luke's Hospital, Obstetrics, and Gynecology Residency Program	2003, 2008, 2009, 2011, 2012, 2014
Outstanding Teaching and Ongoing Support of the Greater Philadelphia Comprehensive OB/GYN Review Course, Distinguished Faculty Award	2002
Physician's Recognition Award American Medical Association	1996, 2006
Council on Resident Education in OB/GYN National Faculty Award for Excellence in Resident Teaching	1996, 2005
Resident Education Award in Obstetrics and Gynecology North Shore University Hospital	1991, 1993
Outstanding OB/GYN Teaching Award Methodist Hospital of Indiana	1990
Omicron Kappa Delta Honor Society	1985

CURRENT RESEARCH ACTIVITIES

- A Prospective, Non-Randomized, Parallel Cohort, Multi-center Study of Uphold LITE vs. Native Tissue for the Treatment of Women with Anterior/Apical Pelvic Organ Prolapse"- Uphold LITE Study (Sponsored by Boston Scientific) 2016
- A Post-Market Evaluation of the Altis® Single Incision Sling System versus Transobturator or Retropubic Mesh Sling in the Treatment of Female Stress Urinary Incontinence (Altis 522 Study), 2015
- Evaluation of the Use of Transvaginal Resorbable Biologic Mesh as Compared to Traditional Non-Mesh Surgical Repair for Treating Pelvic Floor Disorders. (Sponsored by ACELL) 2014

Restorelle® Transvaginal Mesh versus Native Tissue Repair for Treatment of Pelvic Organ Prolapse. (Sponsored by Coloplast) 2014

Vaginal Tactile Imaging in Assessment of Pelvic Floor Conditions. (Sponsored by Artann Laboratories, National Institute of Aging (NIH) 2011

PEER JOURNAL REVIEWER

van Raalte H, **Lucente V**, Molden S, Haff R, Murphy M. One-year Anatomic and Quality of Life Outcomes Following the Prolift Procedure for Treatment of Post Hysterectomy Prolapse. Annual Scientific Meeting of the *Society of Gynecologic Surgeons* in Savannah, GA April 2008.

Murphy M, Sternschuss G, Haff R, van Raalte H, Saltz S, **Lucente VR**. Quality of Life and Surgical Satisfaction following Vaginal Reconstructive versus Obliterative Surgery for the Treatment of Advanced Pelvic Organ Prolapse. Annual Scientific Meeting of the *American Urogynecologic Society* in Hollywood, FL September 2007 and *International Continence Society* in Rotterdam in Netherlands, August 2007.

Murphy M, van Raalte H, Mercurio E, Haff R, Wiseman B, **Lucente VR**. Incontinence-related Quality of Life and Sexual Function following the Tension-free Vaginal Tape versus the "Inside-out" Tension-free Vaginal Tape Obturator. Annual Scientific Meeting of the *Society of Gynecologic Surgeons* in Orlando, FL April 2007 and *International Continence Society* in Rotterdam, Netherlands August 2007.

van Raalte H, **Lucente V**, Murphy M, McCardell J, Haff R, Wiseman B. Short-term Results of the Prolift Procedure in 350 Patients used in the Treatment of Pelvic Organ Prolapse. Annual Scientific Meeting of the *Society of Gynecologic Surgeons* in Orlando, FL April 2007 and the *International Urogynecologic Association* in Cancun in Mexico June 2007.

Murphy M, Raders JL, Haff R, Yeager M, **Lucente VR**. Early U.S. Experience with Vaginal Extraperitoneal Colpopexy Using a Propylene Graft (Prolift) for the Treatment of Pelvic Organ Prolapse. Annual Scientific Meeting of the *Society of Gynecologic Surgeons* in Tucson, AZ April 2006 and the *International Urogynecologic Association* in Athens, Greece September 2006.

Murphy M, Raders J, Wiseman B, Haff R, **Lucente V**. Vaginal Tension-Free Securement of Synthetic Mesh in the Treatment of Pelvic Organ Prolapse. *International Urogynecologic Association* in Copenhagen, Denmark September 2005.

Murphy M, Horton TR, Anderson M, Drunkenmiller J, & **Lucente V**. Tension-Free Vaginal Tape for the Treatment of Intrinsic Sphincter Deficiency Refractory to Periurethral Collagen Injection. Presented at the *American Urogynecology Society 22nd Annual Meeting* in Chicago, IL October 2001

Vassallo B, Murphy M, **Lucente V**, & Karram M. TVT vs Laparoscopic Burch: a Retrospective Review at One to Four Years. Presented at the *Society of Gynecologic Surgeons 27th Scientific Meeting* in Lake Buena Vista, FL March 2001

PAST RESEARCH ACTIVITIES

A Prospective, Safety and Efficacy Cohort Study of Elevate® Anterior and Apical Prolapse Repair System Compared to Native Tissue Repair for Pelvic Organ Prolapse Repair. Protocol # PR1205. (Sponsored by Coloplast)

A Prospective, Safety and Efficacy Cohort Study of Elevate® Apical and Posterior Prolapse Repair System Compared to Native Tissue Repair for Pelvic Organ Prolapse Repair. Protocol # PR1206. (Sponsored by AMS)

Exair® Prolapse Repair System versus Native Tissue Repair for Treatment of Pelvic Organ Prolapse. (Sponsored by Coloplast)

Vaginal Tactile Imaging in Assessment of Pelvic Floor Conditions. (Sponsored by Artann Laboratories, National Institute of Aging (NIH))

Complete **C**ontinence as Primary **M**etric For **O**nabotulinumtoxinA **O**veractive Bladder **T**reatment Success: A Multicenter, Double Blind, Randomized, Placebo-Controlled, Parallel-Group Study in Overactive Bladder Patients with Urinary Incontinence. **COMFORT** Study (Sponsored by Allergen)

An Investigation of the **T**reatment of **F**ecal **I**nconti**N**ence using the TOPAS™ Sling System **F**OR **W**o**M**en. **TRANSFORM** Study (Sponsored by AMS)

Evaluation of the Outcomes of Restoring Pelvic Floor Support using the TOPAS™ AMS Pelvic Floor Repair System in Women with Moderate Fecal Incontinence Symptoms. (Sponsored by American Medical Systems)

Clinical Evaluation of Ajust™ in Stress Urinary Incontinence. CEASe Study (Sponsored by C R Bard Urologic)

TVT World-wide observational registry for long-term data (TVT-World) (sponsored by Ethicon Inc)

Clinical Assessment of the TVM (Total Vaginal Mesh) Technique for Treatment of Genital Prolapse. (Sponsored by GYNECARE, a division of Ethicon, Inc.)

A Prospective Multi-Center Study to Evaluate the Clinical Performance of the GYNECARE PROLIFT + M* Pelvic Floor Repair System as a Device for Pelvic Organ Prolapse (sponsored by Ethicon Inc)

A Large Multi-center Database of Women Who Are Going to have Surgical Correction of Their Pelvic Organ Prolapse using the Gynecare Prolift® System. (Sponsored by Ethicon Inc)

A Feasibility Study Using Transvaginal Mechanical Imaging to Assess the Elasticity Properties of the Vaginal Wall and surrounding Connective Tissue. (Funded by the Institute for Female Pelvic Medicine and Reconstructive SurgerySM)

The Effect of Pelvic Organ Prolapse on Sexual Function and Body Image. (Funded by the Institute for Female Pelvic Medicine and Reconstructive Surgery)

A Prospective Study to Evaluate the Effectiveness of the Renessa® Treatment for Female Stress Urinary Incontinence in Women with Suboptimal Response to Surgical Treatment. (Sponsored by Novasys Medical Inc)

Tension Free Vaginal Tape-Obturator Approach for the Treatment of Female Stress Urinary Incontinence, early Clinical Experience. (Sponsored by GYNECARE, a division of Ethicon, Inc.)

Long Term Clinical Assessment of Patients Undergoing the Tension Free Vaginal Tape-Obturator Approach for the Treatment of Female Stress Urinary Incontinence (Sponsored by GYNECARE, a division of Ethicon, Inc.)

A Clinical Trial of ELEVEST Procedure Kit for the Treatment of Uterine Prolapse (Sponsored by Inlet Medical Inc.)

A Clinical Trial of the Avesta Procedure Kit for the Reinforcement of the Uterosacral Ligaments in Patients Undergoing Hysterectomy (Sponsored by Inlet Medical Inc.)

An Innovative Approach to the Treatment of Pelvic Organ Prolapse Using a Tension Free Y-Shaped Synthetic Mesh (Physician written, non funded)

A Clinical Evaluation of the GYNECARE TVT Obturator System for Treatment of Stress Urinary Incontinence (Sponsored by GYNECARE, a division of Ethicon, Inc.)

A Prospective Study to Evaluate Renessa Long-term Durability for the Treatment of Female Stress Urinary Incontinence. (Sponsored By Novasys Medical Inc.)

A Multi-center, Multiphase, Randomized, Double-Blind, Placebo Controlled Study Evaluating the Effect of Tolterodine ER on Urgency, Urgency Urinary Incontinence (UUI) and Sexual Quality of Life in Women With Overactive Bladder (Sponsored By Pfizer)

A multi-center, Prospective, Open-Label Study to evaluate Sanctura® in the control of Urinary Symptoms Resulting from Overactive Bladder

Multi-center Assessment of Transdermal therapy in overactive bladder with oxybutynin TDS (MATRIX) Protocol No: OXY0402 (Sponsored by Watson Laboratories Inc.)

An Open-Label Multi-center Study to Assess the Efficacy and Safety of Daily Oral Administration of 5 and 10 mg Vesicare® (Solifenacin Succinate) in Patients Who Wish to Switch from Detrol LA® (Tolterodine Tartrate Extended Release) for the Treatment of Overactive Bladder Symptoms (Sponsored by Yamanouchi)

An Open Label Study of the Efficacy and Safety of 5 and 10 mg Vesicare (solifenacin succinate) in Patients with Overactive Bladder (OAB) Symptoms Protocol No: 905-UC-007 (Sponsored by Yamanouchi Pharma America, Inc.)

A Phase 3 Study of the Efficacy and Safety of Lasofoxifene in the Treatment of Vaginal Atrophy in Postmenopausal Women Protocol No: A2181032-1023. (Sponsored by Pfizer)

Clinical Assessment of the TVM (Total Vaginal Mesh) Technique for Treatment of Genital Prolapse Protocol No: V2003-0808 (Sponsored by GYNECARE, a division of Ethicon, Inc.)

A Clinical Assessment of Patients Undergoing GYNECARE TVT with abdominal guides for the Treatment of Stress Urinary Incontinence Protocol #2001-012. (Sponsored by GYNECARE, a division Ethicon, Inc.)

A Multicenter Randomized Controlled Study to Evaluate the Safety and Effectiveness of URYX® Urethral Bulking Agent in Patients with Urinary Incontinence Protocol number: URYX-001-UI. (Sponsored by Genyx Medical, Inc.)

Cinical Evaluation of GYNECARE GyneMesh PS Mesh for Pelvic Floor Repair Protocol No: 2002-001 (Sponsored by GYNECARE, a division of Ethicon, Inc.)

Laparoscopic Burch Colposuspension versus the Pubovaginal Sling Procedure using Tension-Free Vaginal Tape: A Randomized Trial Protocol No: 2000-015 (Sponsored by GYNECARE, a division of Ethicon, Inc.)

An Open- Label, Long-Term Tolerability study of daily Oral Administration of 10 MG YM905 (Solifenacin Succinate) in Male and Female Subjects with Overactive Bladder (Sponsored by Yamanouchi USA, Inc)

Surgical Treatment Outcomes Project for Dysfunctional Uterine Bleeding. (Funded through NIH).

Duloxetine versus Placebo in the Treatment of Stress Urinary Incontinence. (Funded through Eli Lilly®).

Long Term Monitoring of Safety in Subjects Treated with Duloxetine for Stress Urinary Incontinence (Sponsored by Eli Lilly®)

A Randomized, Controlled Clinical Trial to Investigate the Safety and Efficacy of the Urethral Bulking Agent Macroplastique® as Compared to the Control Urethral Bulking Agent Contigen® (Sponsored by Uroplasty, Inc)

A Comparison of MoniTorr® Urethral Resistance Pressure and Standard Urodynamic Measurements of Maximum Urethral Closure Pressure and Leak Point Pressure (Sponsored by Ethicon, Inc)

Tension-free Vaginal Tape Post-marketing Outcomes Study. (Funded through J&J, Gynecare).

A Trial on the Safety and Efficacy of an Investigational Drug (J-867) Compared to Placebo in Patients with Endometriosis. (Sponsored by TAP Holdings Inc.)

An Outcomes Study of Posterior Colporrhaphy with Plication of Rectal Muscularis for the Treatment of Rectocele. (LVH Resident Research Project.)

A Phase 11, Randomized, Double blind, Parallel Group Study to evaluate the Safety and Efficacy of J867 in Patients with Symptomatic Uterine Myoma. (Sponsored by TAP Holdings Inc.)

An Evaluation of Consumer Acceptance and Satisfaction with the Use of a Vaginal Ring Delivery System. (Sponsored by Warner Chilcott, Inc.)

A Comparison of Monitor® Urethral Resistance Pressure and Standard Urodynamic Measurements of Maximum Urethral Closure Pressure and Leak point Pressure. (Sponsored by J&J, GYNECARE Division)
